LOUWMAN MUSEUM • DEN BOSCH • BIMMERFEST • LEIDEN CANALS

The 3 Series Register is delighted that following the successful club tour to Munich in 2022, another tour to Holland and Bimmerfest will run in June 2023. This tour is open to all club members and all club cars. The tour is once again managed by Scenic Car Tours. By booking and paying your deposit now you lock in the costs and protect yourself against inflation and exchange rate fluctuations. The tour is designed without long drives to keep fuel costs reasonable – most cars will complete the tour on a single tank of fuel.

Day 1 - Friday 09 June 2023

The tour starts from either Hull, Newcastle or Harwich, arriving in Rotterdam, Amsterdam or Hook of Holland respectively the following morning after taking an overnight ferry. Other crossings can also be arranged via Scenic Car Tours.

Relax, enjoy a drink and evening meal (not included in tour cost) and get a good night's sleep in your cabin on the ferry

Day 2 - Saturday 10 June

Breakfast on ferry (not included in tour cost)

Approx 1 hour drive to the Louwman Museum (Leidsestraatweg 57, 2594BB Den Haag).
<https://www.louwmanmuseum.nl/en/>

The Louwman Museum is home to the world's oldest private collection of motorcars, compiled by two generations of the Louwman family. The museum dates back to 1934 and now comprises over two hundred and forty antique and classic motorcars. Experts regard the collection as one of the most beautiful in the World. The museum exudes passion. Each car has its own story to tell, its own contribution to history. The motorcar is a mirror of culture. The collection is housed in a purpose-built museum in The Hague, the city where P.W. Louwman established his Dodge and Chrysler import company. The building, designed by American architect Michael Graves, blends in sympathetically with its historic surroundings. The landscape gardens, designed by Dutchman Lodewijk Baljon, complement the architecture of the building.

We meet for a light lunch, the tour Meet and Greet, first briefing and explore at your own pace. We will have reserved BMW parking, and museum entry and lunch is included in the tour price.

Approx. 1.5 hours drive to Den Bosch and the tour hotel. In the evening we will head into Den Bosch for an evening meal (not included in tour cost).

Day 3 - Sunday 11 June

We will have the second tour briefing, followed by an early departure for the 1 hour drive to Raceway Venray (Peelweg 47, 5813 AD Ysselsteyn) to arrive at Bimmerfest "largest one day BMW event in Europe" to beat the queues. The hotel will supply a takeaway breakfast box/takeaway hot drinks (included in tour cost).

The BMW Car Club GB has booked a stand for Bimmerfest, and tickets and paddock cards are included in the tour cost. Bimmerfest is one of the biggest BMW shows globally attracting well over 2000 cars from all over Europe. There is always a great selection of cars, club stands and is supported by many big names in the BMW community, with live action, displays, trade stands and there is lots to see and do and has an excellent vibe.

After the show we will return to Hotel for an evening meal at Hotel (included in tour cost) and the third tour briefing.

Day 4 - Monday 12 June

Today starts with a leisurely breakfast at the hotel (included in tour cost). Leave the hotel for the 1.5 hour drive to Leiden, nicknamed Sleutelstad (Keycity), which is famous for having the oldest university of the Netherlands, rich history, monumental buildings, beautiful gardens and canals.

<https://www.visitleiden.nl/en>

We have a private 2 hour guided canal tour complete with English commentary and light lunch with tea/coffee/soft drinks (included in tour cost).

After the tour people taking the Rotterdam or Hook of Holland ferries have time to further explore Leiden. People taking the Amsterdam ferry need to leave reasonably early due to the earlier check-in time. Once on your ferry relax, reminisce, enjoy a drink and evening meal (not included in tour cost) and get a good night's sleep in your cabin on the ferry.

Day 5 - Tuesday 13 June

Breakfast on ferry (not included in tour cost).

Arrive home.
