Top speed:	155mph (limited)
Price when new:	£40,020 (2011)

Additional Comments:

This is arguably one of the greatest modern-era M cars ever developed. When it's bigger sibling the V8 M3 was a brutish beast, the 1 M Coupé was a gentle reminder that M could still return to engaging, light and powerful straight six fun. With Jeremy Clarkson stating, "I haven't driven anything this perfect since the original Golf GTI".
